

KwaZulu Natal Bridge Union

KawZulu-Natal Bridge Union
Letter from the Chairman
2 June 2017

Dear Members

As some of you might be already aware, we have received a very significant donation from a Swiss company, Glencore AG. This has come about through the actions of Jason Klug (Petra Mansell's grandson), who works for the company. He and his company have made a joint \$10 000 donation to KZNBU.

We have discussed this at our recent committee meeting, and have resolved to use the funds towards obtaining a permanent home for bridge in KZN. With this in mind we would like to approach Ethekewini Municipality to find out if there is a suitable disused sports facility (probably a bowling club or something similar), that we could lease.

If anyone knows of a facility that could be suitable, or of someone at Ethekewini Estates section who could be approached, please let us know.

In addition, we would like to take the opportunity to build on this initial fund, with donations from KZNBU members. This would be along the lines of "donate a brick", and all donations will be acknowledged in the building

This is an exciting opportunity for us to establish our own home, all the other major unions in South Africa already have their own home.

Regards

A handwritten signature in black ink, appearing to read 'G. Burrows', is written over a light blue rectangular background.

Graham Burrows
Chairman (KZNBU)
