

## No Fear Tournament

The KwaZulu-Natal Bridge Union is again organising a tournament aimed at bridge players who would like to experience a tournament without the stress of having to play against the top ranked players in the province. To achieve this entrants to this tournament will be limited to bridge players whose MasterPoint ranking is **Regional Master or below (less than 50 MPs)**. If you are uncertain of your ranking, please ask your club or visit [www.kznbridgeunion.co.za](http://www.kznbridgeunion.co.za) where you will find the latest rankings. This is also an ideal tournament for those players who are relatively new to bridge or who have never played in a tournament. Basic bidding systems and basic conventions will be permitted. Complicated and unusual conventions will not be permitted. The Tournament Director will elaborate on this before the tournament starts.
